

Pellirosso Negroamaro I.G.P. Salento

Grape Variety: 100% Negroamaro

Alcohol Content: 12.5%

Region: Puglia

Producer: Coppi

Vinification

The vinification respects and enhances the features of the Negroamaro grapes which are defined well with their tannic structure and with more color by maceration of the skins. Each step takes place at a controlled temperature Aged at least 6 months in steel and 6 months in the bottle.

Tasting Characteristics

A bright, intense red bouquet; finely aromatic and fruity, which is recognized as a characteristic of these small black berries. The palate is dry, full, quite soft fruity and balanced.
