

Senatore Primitivo DOC Gioia del Colle

Grape Variety: Primitivo 100%

Alcohol Content: 13.5%

Region: Puglia

Producer: Coppi

Vinification

Grapes are carefully selected in the cellar, then crushed and de-stemmed and then kept in steel tanks. Fermentation of the skins enables the extraction of all their valuable substances; fruity polyphenols and tannins. Each step takes place at a controlled temperature. Once the skins are separated, the wine goes into steel silos.
